

Adding 3 Numbers

A tractor-shaped box with a cab on the left and two wheels on the right. Inside the box is the equation $2 + 1 + 3 = \square$.

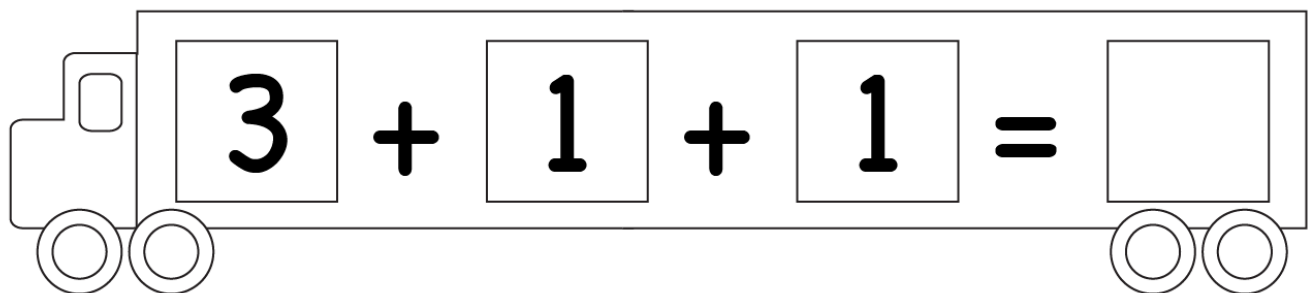

$2 + 1 + 3 = \square$

A tractor-shaped box with a cab on the left and two wheels on the right. Inside the box is the equation $2 + 2 + 1 = \square$.

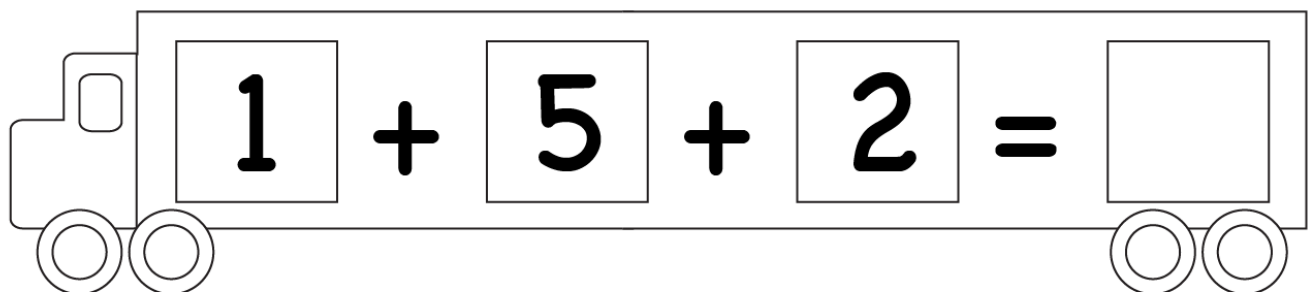

$2 + 2 + 1 = \square$

A tractor-shaped box with a cab on the left and two wheels on the right. Inside the box is the equation $1 + 2 + 4 = \square$.

$1 + 2 + 4 = \square$

A tractor-shaped box with a cab on the left and two wheels on the right. Inside the box is the equation $3 + 1 + 1 = \square$.

$3 + 1 + 1 = \square$

A tractor-shaped box with a cab on the left and two wheels on the right. Inside the box is the equation $1 + 5 + 2 = \square$.

$1 + 5 + 2 = \square$
