

Adding 3 Numbers

A tractor-shaped box with a steering wheel on the left and two wheels on the right. Inside the box is the equation $9 + 2 + 7 = \square$.

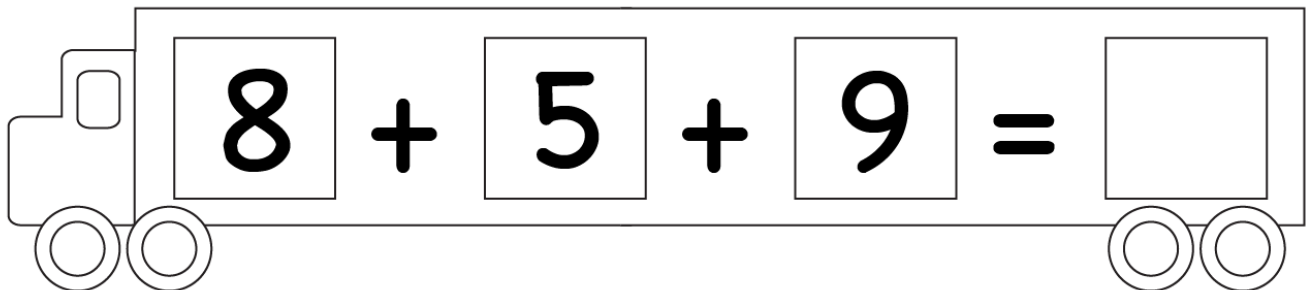

$9 + 2 + 7 = \square$

A tractor-shaped box with a steering wheel on the left and two wheels on the right. Inside the box is the equation $6 + 9 + 3 = \square$.

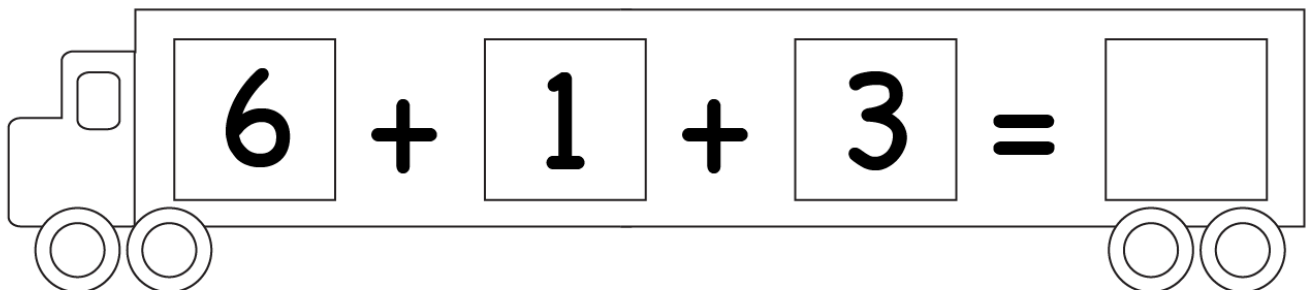

$6 + 9 + 3 = \square$

A tractor-shaped box with a steering wheel on the left and two wheels on the right. Inside the box is the equation $9 + 2 + 3 = \square$.

$9 + 2 + 3 = \square$

A tractor-shaped box with a steering wheel on the left and two wheels on the right. Inside the box is the equation $8 + 5 + 9 = \square$.

$8 + 5 + 9 = \square$

A tractor-shaped box with a steering wheel on the left and two wheels on the right. Inside the box is the equation $6 + 1 + 3 = \square$.

$6 + 1 + 3 = \square$
