

Write each missing number.

The image shows two large numbers, 135 and 6810, each with a missing digit in a box. The number 135 has a box between 1 and 3, and a box between 3 and 5. The number 6810 has a box between 6 and 8, and a box between 8 and 10. Each number is enclosed in a large, rounded, speech-bubble-like shape.
